

ARBOR COMMITTEE
Interview Questions

Name _____ XXX, XXX, 2017
X:XX p.m.

1. Describe yourself and any special traits or skills you think would be of benefit to the Arbor Committee.

2. Why do you think citizen advisory committees such as the Arbor Committee are of benefit to the City?

3. The Arbor Committee's mission includes preservation, education and reforestation. Do you feel one area is more important than the other? Why or why not?

4. Describe a volunteer situation you have been involved with, what role did you play and how did you work with others? (If you have no volunteer experience, use a work situation).

5. The Arbor Committee focuses on beautifying the City through tree planting and the preservation of the natural environment and urban forest. Are there any specific activities you would like to see the Arbor Committee work on?

6. Appointment to the Arbor Committee involves attending monthly meetings in addition to taking part in other special activities throughout the year. Are you willing to make the time commitment necessary? Is there anything that would keep you from attending meetings?
