

(1) Existing vault & case.

Existing 36" x 48" vault

(3) U15_U21A Intercept fiber duct & place 24" x 36" vault if existing vault is not there. I could not find existing vault.

(4) U16_U21A Intercept fiber duct & place 36" x 48" vault for new case location. Leave 100' coils.

(5) U10 - Place (2) 1.5" conduits

(2) U6_U21 - Proof/Pull through existing fiber duct

(6) U15 U21A- Place node ped w/G.R.
