

Notice

CenterPoint Energy is coming to your neighborhood!

CenterPoint Energy is planning to upgrade our natural gas system in your neighborhood. Our contractor, Michel's Corp. will begin replacement of the existing main soon.

At the end of the project, CenterPoint Energy will restore the area affected by our work.

Please note: Private Underground Lines

Please notify the construction crew by marking any private underground lines such as; sprinklers, invisible dog fences, drain tile, private wells, septic tank, etc. We are not liable for damages to unmarked lines.

Questions? Please contact a representative at CSV.constructionservices@centerpointenergy.com

Notice

CenterPoint Energy is coming to your neighborhood!

Your city is planning to renovate your street during this year's construction season. The city has asked CenterPoint Energy to begin our natural gas system replacement **PRIOR** to the street renovation. Our contractor, Michel's Corp. will begin replacement of the existing main line soon.

Outside the city construction zone – CenterPoint Energy will restore the area affected by our work.

Please note: Private Underground Lines

Please notify the construction crew by marking any private underground lines such as; sprinklers, invisible dog fences, drain tile, private wells, septic tank, etc. We are not liable for damages to unmarked lines.
