

NOTICE

Today's Date: _____ Time: _____

We have been contracted by CenturyLink to install and/or replace telephone cables in the general area.

Construction may include work in the public right of way, existing utility easements and/or private property.

Safety is our top priority.

We will keep inconveniences to a minimum and for the shortest period of time possible. You may experience the following during construction:

- Vehicle access to your residence may be temporarily disrupted
- Street parking may be temporarily unavailable

2218 - 200th Street East, PO Box 189
Clearwater, MN 55320

If you have questions please contact our construction partner listed below:

Company: _____

Contact: _____

Phone: _____

REMARKS

State law requires all contractors to locate existing utilities. The colored temporary markings identify those utilities.

PRE CONSTRUCTION

NO ACCESS TO YARD

____ We were UNABLE to gain access for utility locates and/or construction. Please call the number identified on the front of this notice to schedule a return visit when access will be available.

____ We were not able to access CTL equipment located in your neighbor's easement.

MULTI TENANT BUILDINGS

____ The building manager was not available to provide the building access needed to complete your service request. We ask that you speak to your manager to provide access arrangements for us to do work. Please call the number identified on the front of this card to reschedule your appointment when access will be available.

POST CONSTRUCTION

____ YOUR service is installed. If you have any questions or concerns please call the number listed on the front of this notice.

____ **Construction has been completed.**

Additional Notes: _____
